Website Listing Application

A webpage has been set up to assist in directing the public to club members that wish to provide such services as puppy sales, stud services and general education on the Labrador Retriever.

Inclusion on the web page is available to all ALRC members regardless of their access to the internet as the contact information can be an email address, telephone number or both.

The website application will be included in the renewal notice for all existing members. This application must be completed and returned to the Secretary with your membership fee for the upcoming year.

To facilitate the job of our Volunteers we have set the following rules:

- * Any member in good standing may have a listing on the webpage
- * A change of email address or telephone number can be submitted to the Secretary at any time
- * A member may remove their information from the webpage at any time.
- * Once a member has removed their information it may not be reinstated until their membership is paid for the next year.
- * Each listing will have a minimum of a name (first name is okay if a kennel name listed), email address and/or telephone number, city and the color of dogs you have.
- * All listings will be grouped by province and will be listed in alphabetical order by kennel name or by last name if kennel name not listed
